Company Officer Training

IAPFC and IFC Members, please send your Company Officers to this one day training event.

When: October 12, 2018 - 8:00 am to 12:00 pm & 1:00 pm to 5:00 pm  
Where: Coralville Marriott  
Cost: $35.00/Attendee – Includes Lunch

Presenter: Deputy Chief Sal Scarpa – Shawnee (KS) Fire Department

Where Have All The Good Officers Gone?

In this program, we will explore the role of the company officer in these changing times. We’ll examine why there are fewer firefighters looking to become officers and why the officer corps of today looks differently than it did a decade or so ago. We will look at all the “stuff” required to be not just a good officer, but a great leader. We will identify the qualities that future (company & chief) officers must bring to the table to be successful in their position and to move their organizations forward. This program is designed to provide emerging leaders with a formula for success by identifying critical qualities for the next generation of leaders.

The Cost of Leadership

What does it take to be a leader in the “New Normal”? How can you prepare yourself for the ever-changing challenges that come your way? How does rank build leadership? How do you know if you are ready to take the next step? What does it mean to be successful? What does it take to be an engaged leader? In this program, we will identify building blocks of success and what it takes to be a leader. You will be challenged to assess your capacity for leadership. We’ll identify key leadership principles associated with successful leaders and the challenges to those ideals. If you are aspiring to a leadership position of any rank in your organization, this program is for you.
Spouse Event – Saturday, October 13

Spouses are invited to a guided tour of the University of Iowa Stead Family Children's Hospital. This interesting and informative tour will have information regarding the new Children's Hospital, the specialty units they have available, the building history and information about the architecture and art work that can be seen around the Children's Hospital. This is a great opportunity to learn firsthand how the Children's Hospital operates and the functions it performs. After the tour concludes, transportation will be provided to lunch at Millstream Brewing in historic Amana. After lunch, the group will have free time to shop and explore downtown Amana. The tour will leave at 8:30 a.m. from the lobby of the Marriott Hotel & Conference Center and be completed with transportation returning the group to the Marriott around 3:30 p.m. Cost of the event is $15.00 to cover lunch.
